

2021-2022

ANNUAL REPORT

PAVING THE WAY FOR *hunger free* DAYS

Dear Hunger Heroes,

Many of you likely see my face every quarter in the KNOW HUNGER newsletter. Some of you may also know me in person. But to those that don't, my name is Carolyn, and I became CEO of Feeding America Riverside | San Bernardino (FARSB) in April 2022. I am local to Riverside and an alumna of both CSUSB and CBU, where I received my Bachelor's in Public Relations and my Master's in Business Administration.

Leading up to our former CEO, Stephanie Otero's retirement from food banking, she and I worked closely together as I served as the Development Director for FARSB. I oversaw grants, marketing, volunteer programs, events, and more!

I am grateful for the opportunity to serve in a new capacity and to aid our community in food security through the completion of our 2021-2024 Strategic Plan. While the plan continues to evolve, the team and I are already working on developing our enhanced plan that will begin in 2024. But before I share what my team is working on, let's look at our most recently completed fiscal year.

Please enjoy our 2021-2022 Annual Report.

With Sincere Appreciation,

Carolyn Solar

Carolyn Solar, MBA
Chief Executive Officer

Dear Friends and Neighbors,

While FARSB has grown, navigated a high-pressure pandemic, and found innovative ways to reach food-insecure neighbors, that work could not have been accomplished without your support and dedication.

In the past year, I've been delighted with how the board has come together to support the food bank. We've added term limits to allow new, fresh eyes and energy to join the board as we term out of our roles every three years, and we've focused on the value each member can provide to achieving our strategic plan and outcomes.

I am excited to continue to work alongside the FARSB team and all of you to strive for a hunger-free community.

On behalf of the Board of Directors, thank you for supporting the mission of FARSB.

Sincerely,

Jill McCormick

2022 *snapshot*

- 5 meals served for every dollar donated.
- 98 percent of each donation went to hunger-relief programs.
- 100 percent of donations stayed in the Inland Empire.
- 259 community partners aided our hunger-relief efforts.
- 1,350 CalFresh applications were submitted.
- 3,182 unique volunteers assisted in the fight against hunger.
- 5,650 home deliveries were made to neighbors in need.
- 21,655 volunteer hours were donated by generous community members.
- 887,113 dollars were saved due to volunteer hours served.
- 2,639,586 individuals were provided meals with your support.
- 12,138,986 pounds of food were rescued from landfills.
- 27,400,000 pounds of food were distributed throughout Riverside and San Bernardino counties.

FOOD DISTRIBUTED

KEEPING KIDS *Nourished*

While our food bank has continuously worked to get food to children through our child hunger programs, in September of 2021, in honor of Hunger Action Month, we launched our first child *education* program, The Goodness in Food (TGIF).

Our goal in launching TGIF was to allow children to learn about making healthy choices in a free, fun foodbank space.

Every Saturday in September, children aged 6-9 would visit the food bank for just one hour to go through a session of activities aimed at focused topics on food and nutrition.

The first three weeks took place in our warehouse volunteer center. During the final week, children had the opportunity to visit Overflow Farms in Riverside, CA, experiencing a real-life garden for good. Like FARSB, Overflow Farms works with a select group of community partners to ensure access to food is made available to organizations feeding the community.

In collaboration with TGIF, Overflow Farms challenged the children to take their learning to a new level by planting, harvesting, and tasting produce from the garden. At the end of the session, children took home a bag full of produce for their families to enjoy, but not before receiving a completion certificate and fun TGIF swag!

GIVING THROUGH *Service*

As the largest food bank serving Riverside and San Bernardino counties, FARSB values the difference made by volunteers. Through the act of a few hours or a day - monumental impacts are made in the community for those facing food insecurity.

DISTRIBUTION CENTER VOLUNTEERS

Volunteers gain hands-on experience at the food bank when they help sort through donated product, ensuring it is safe to be distributed in the community.

SENIOR MOBILE PANTRY PROGRAM (SMPP) VOLUNTEERS

The Senior Mobile Pantry Program (formerly known as CSFP at our food bank) serves low-income, older adults throughout host sites within the Inland Empire. Volunteers assist at food distributions by checking in attendees and helping older adults carry their food boxes to their cars.

HOMEBOUND EMERGENCY RELIEF OUTREACH (HERO) VOLUNTEERS

HERO is our home-bound emergency delivery program and is a great way for volunteers to assist with deliveries to our most vulnerable neighbors. Volunteers conduct food deliveries as needed.

GLEAN TEAM VOLUNTEERS

When neighboring properties begin to overflow at the peak of the harvest season, FARSB sends a group of volunteers to "glean" the site. By definition, gleaning is gathered (leftover grain or other produce) after a harvest. Our volunteers pick the fruits or vegetables and place them into produce bags to be sent to the food bank. Later, this produce is distributed at no cost to families in need through FARSB's hunger relief programs.

Volunteer opportunities take place Monday through Friday, though occasional weekend opportunities may become available at times.

SUPPORTING *Seniors*

In 2021, FARSB partnered with Los Angeles Regional Food Bank to expand the USDA's Commodity Supplemental Food Program (CSFP) into the Inland Empire.

From the ground up, the FARSB team developed partnerships with senior centers to reach the target 60 and over residents who could benefit from CSFP.

By the end of the fiscal year, over 9,300 senior meal kits had been distributed to residents across Riverside and San Bernardino Counties with the help of 13 partnered locations. This equated to over 275,000 lbs. of food! Today, CSFP is known as the Senior Mobile Pantry program at FARSB.

During the fiscal year, we also continued to run the Homebound Emergency Relief Outreach (HERO), which aided homebound residents with an emergency food supply once or for a set period determined by an initial questionnaire. During the fiscal year, HERO provided food to over 7,700 residents over the age of 60!

AND FEEDING OUR HEROES

FARSB continued to prioritize local Veterans through the Military Veteran Program. The Inland Empire has several military bases and thousands of currently serving and retired service members.

In partnership with four local military organizations, we support family members of active-duty military and veteran households facing food insecurity through our Military Veteran Program (MVP). Most MVP sites receive a monthly FARSB food delivery, ensuring regular access to high-quality food commodities. Delivered items have included shelf-stable boxes, holiday meal kits, and grocery gift cards.

THANK YOU, DONORS!

BECAUSE OF YOU, OUR MISSION PROGRESSES FORWARD.
