**About Feeding America Riverside | San Bernardino**

Feeding America Riverside | San Bernardino (FARSB) is leading the fight against hunger in the Inland Empire by providing food access, emergency relief, education, and advocacy to families in Riverside and San Bernardino Counties. FARSB opened in 1980 as Survive Food Bank in response to the increasing concern about the dual problems of hunger and food waste in the Inland Empire. Today, FARSB is the primary source of food to over 200 local nonprofit organizations, distributing over two million pounds of food monthly to emergency food pantries, homeless shelters, soup kitchens, high-need elementary schools, halfway houses, senior centers, residential treatment centers, shelters for the abused, after school programs and group homes. With the help of these charity partners, they make up the largest hunger relief organization in the Inland Empire, making food security a reality for over 1.2 million people every year. FARSB is one of 200 food banks across the nation affiliated with Feeding America, the national organization, however, FARSB raises their own funds through community initiatives in the Inland Empire. FARSB proudly holds

the 2019 Guide Star Seal of Transparency, the highest level of transparency achievable through Guide Star and is rated 100/100 on Finance & Accountability through the Charity Navigator Encompass Rating System.
